_____)	

I, JONATHAN GARDNER, declare as follows:

1. I am a member of the firm of Labaton Sucharow LLP (“Labaton Sucharow”). I am submitting this declaration in support of my firm’s application for an award of attorneys’ fees and expenses/charges (“expenses”) in connection with services rendered in the above-entitled action. I am one of the partners who oversaw the day-to-day activities in the litigation.

2. This firm is Co-Lead Counsel for the class and counsel of record for Co-Lead Plaintiffs Plymouth County Retirement System and Norfolk County Retirement System.

3. The information in this declaration regarding the firm’s time and expenses is taken from time and expense printouts and supporting documentation prepared and/or maintained by the firm in the ordinary course of business. These printouts (and backup documentation where necessary or appropriate) were reviewed in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the litigation. As a result of this review, reductions were made to both time and expenses in the exercise of billing judgment. As a result of this review and the adjustments made, I believe that the time reflected in the firm’s lodestar calculation and the expenses for which payment is sought as set forth in this declaration are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the litigation. In addition, I believe that the expenses are all of a type that would normally be charged to a fee-paying client in the private legal marketplace.

4. After the reductions referred to above, the number of hours spent on this litigation by my firm is 21,507.7. A breakdown of the lodestar is provided in Exhibit A. The lodestar amount for attorney/paraprofessional time based on the firm’s current rates is \$10,618,464.00. The hourly rates shown in Exhibit A are the usual and customary rates set by the firm for each individual.

5. My firm seeks an award of \$544,410.20 in expenses and charges in connection with the prosecution of the litigation. Those expenses and charges are summarized by category in Exhibit B.

6. The following is additional information regarding certain of these expenses:

(a) Filing, Witness and Other Fees: \$967.00. These expenses have been paid to courts for filing or admission fees. The vendors who were paid for these services are set forth in Exhibit C.

(b) Transportation, Hotels & Meals: \$66,260.09. In connection with the prosecution of this case, the firm has paid for work-related transportation and meals, including travel expenses to attend, among other things, court hearings and depositions. The date, destination and purpose of each out-of-town trip is set forth in Exhibit D.

(c) Court Hearing and Deposition Reporting: \$628.25. The vendors who were paid for hearing and deposition transcripts are listed in Exhibit E.

(d) Experts/Consultants: \$92,000.00. During the prosecution of this case, Co-Lead Counsel consulted with a number of experts, who provided valuable assistance throughout the different phases in the Litigation. The majority of the expert expenses were shared by Co-Lead Counsel and were incurred by the Litigation Expense Fund maintained by my firm. *See* paragraphs 7-8 below and Exhibit G. My firm also directly incurred expenses totaling \$92,000 in connection with class certification and the retention of experts in the field of ethics and class certification to provide advice and consultation concerning the adequacy requirement of Fed. R. Civ. P. 23.

(e) Duplicating: \$82,287.55. In connection with this case, the firm made 291,235 in-house black and white copies, charging \$0.20 per copy for a total of \$58,247.00. The firm also made 59,949 in-house color copies, charging \$0.40 per copy for a total of \$23,979.60. Each time an in-house copy machine or printer is used, our billing system requires that a case billing code be

entered and that is how the 351,184 copies were identified as related to this case. My firm also paid \$60.95 to outside copy vendors. A breakdown of these outside charges by date and vendor is set forth in Exhibit F.

(f) Online Legal and Financial Research: \$46,192.95. These are charges for vendors such as PACER, Westlaw, LexisNexis Risk Solution, CourtLink, Thomson Reuters Business, LexisNexis, Bloomberg, Locate Plus, Thomson Reuters Markets and New York Law Institute. These databases were used to obtain access to financial data, factual information, and legal research. This category represents the expense incurred by Labaton Sucharow for use of these services in connection with this litigation. The charges for these vendors vary depending upon the type of services requested.

7. My firm also maintained a Litigation Expense Fund for certain common expenses in connection with the prosecution of this case. The category entitled "Litigation Fund Contributions" in each plaintiffs' counsel's fee and expense declaration represents contributions to this expense fund. A breakdown of the contributions to and payments made from the Litigation Expense Fund is attached as Exhibit G. There is no balance remaining in the Litigation Expense Fund and \$50,536.85 in expenses remains outstanding. These "Outstanding Litigation Fund Costs" are reflected on my firm's expense table and are included in the amount being requested by my firm.

8. The following is additional information regarding certain of the expenses incurred by the Litigation Expense Fund, as reported in Exhibit G:

(a) Experts/Consultants: \$273,938.86.

(i) Pharmacy Benefits Management Industry: \$137,714.86. Co-Lead Counsel retained experts in the field of pharmacy benefits management ("PBM"), including the integration of PBM IT systems and platforms, to provide advice, consultation, and/or opinion in

connection with, *inter alia*, drafting the amended complaint, propounding and analyzing discovery, preparing for depositions, and rendering reports.

(ii) Loss Causation/Damages: \$103,564.00. Co-Lead Counsel retained an economics expert throughout the Litigation to provide advice, consultation and opinion concerning the efficiency of the market for CVS common stock, loss causation, and damages. The expert also prepared the proposed plan of allocation for the proceeds of the Settlement.

(iii) Insider Trading: \$31,400.00. Co-Lead Counsel retained economics experts to provide advice and consultation concerning whether the individual defendants profited financially from the alleged fraud.

(iv) Ethics: \$1,260.00. Co-Lead Counsel retained an ethics attorney to consult with in connection with information provided to counsel by a confidential witness.

(b) Court Reporting Services: \$34,910.69. These expenses have been paid largely to firms that provide deposition transcription services and were incurred in connection with the 15 depositions taken in the case. The vendors who were paid for these services are set forth in Exhibit G.

(c) Mediation Fees: \$16,500. These are the fees of the mediator, the Hon. Layn R. Phillips (Ret.), who facilitated the parties' discussions about a potential resolution of the claims and conducted the mediation session leading to the settlement of the Litigation.

(d) Witness Fees: \$13,100.82. These expenses were incurred in connection with third-parties responding to subpoenas issued by Co-Lead Plaintiffs. Many of these third-parties were customers of CVS. The entities that were reimbursed for their costs are set forth in Exhibit G.

(e) Litigation Support/Investigation Fees: \$54,715.63

(i) Precision Discovery: \$32,970.63. Precision Discovery is a litigation support vendor that provides services related to electronic discovery. The expenses were incurred in

connection with Co-Lead Plaintiffs' responses to Defendants' discovery requests and discovery provided by certain confidential witnesses.

(ii) Outten & Golden, Michael G. Barone, Esq., Lowey Dannenberg Cohen & Hart, and the Law Office of Harvey & Silvus: \$21,245. These firms provided legal services to confidential witnesses and third-parties who were identified during Co-Lead Plaintiffs' investigation of the claims and defenses in the Litigation.

(iii) National Institute on Money in State Politics: \$500. This vendor provided campaign contribution information in connection with Co-Lead Plaintiffs' motion for class certification.

(f) Process Service Fees – Metro Attorney Service: \$7,870.85. This vendor served numerous subpoenas in connection with the investigation of the claims and discovery in the Litigation.

9. All of the expenses pertaining to this case are reflected in the books and records of this firm. These books and records are prepared from receipts, expense vouchers, check records and other documents and are an accurate record of the expenses.

10. Attached hereto as Exhibit H is a table of billing rates for defense firms compiled by my firm from fee applications submitted by such firms in bankruptcy proceedings nationwide in 2014.

11. With respect to the standing of my firm, attached hereto as Exhibit I is a biography of my firm as well as biographies of the firm's partners, senior counsel and of counsels.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 15th day of December, 2015, at New York, New York.

These recoveries include more than \$1 billion in *In re American International Group, Inc. Securities Litigation*, \$671 million in *In re HealthSouth Securities Litigation*, \$624 million in *In re Countrywide Financial Corporation Securities Litigation*, and \$473 million in *In re Schering-Plough/ENHANCE Securities Litigation*.

As a leader in the field of complex litigation, the Firm has successfully conducted class, mass, and derivative actions in the following areas: securities; antitrust; financial products and services; corporate governance and shareholder rights; mergers and acquisitions; derivative; REITs and limited partnerships; consumer protection; and whistleblower representation.

Along with securing newsworthy recoveries, the Firm has a track record for successfully prosecuting complex cases from discovery to trial to verdict. In court, as *Law360* has noted, our attorneys are known for "fighting defendants tooth and nail." Our appellate experience includes winning appeals that increased settlement value for clients, and securing a landmark 2013 U.S. Supreme Court victory benefitting all investors by reducing barriers to the certification of securities class action cases.

Our Firm is equipped to deliver results with a robust infrastructure of nearly 60 full-time attorneys, a dynamic professional staff, and innovative technological resources. Labaton Sucharow attorneys are skilled in every stage of business litigation and have challenged corporations from every sector of the financial markets. Our professional staff includes paralegals, financial analysts, e-discovery specialists, a certified public accountant, a certified fraud examiner, and a forensic accountant. With seven investigators, including former members of federal and state law enforcement, we have one of the largest in-house investigative teams in the securities bar. Managed by a law enforcement veteran who spent 12 years with the FBI, our internal investigative group provides us with information that is often key to the success of our cases.

Outside of the courtroom, the Firm is known for its leadership and participation in investor protection organizations, such as the Council for Institutional Investors, World Federation of Investors, National Association of Shareholder and Consumer Attorneys, as well as serving as a patron of the John L. Weinberg Center for Corporate Governance of the University of Delaware. The Firm shares these groups' commitment to a market that operates with greater transparency, fairness, and accountability.

Labaton Sucharow has been consistently ranked as a top-tier firm in leading industry publications such as *Chambers & Partners USA*, *The Legal 500*, and *Benchmark Litigation*. For the past decade, the Firm was listed on *The National Law Journal's* Plaintiffs' Hot List and was inducted to the Hall of Fame for successive honors. The Firm has also been featured as one of *Law360's* Most Feared Plaintiffs Firms and Class Action Practice Groups of the Year.

Securities Class Action Litigation

Labaton Sucharow is a leader in securities litigation and a trusted advisor to more than 200 institutional investors. Since the passage of the Private Securities Litigation Reform Act of 1995 (PSLRA), the Firm has recovered more than \$7.5 billion in the aggregate for injured investors through securities class actions prosecuted throughout the United States and against numerous public corporations and other corporate wrongdoers.

These notable recoveries would not be possible without our exhaustive case evaluation process. The Firm has developed a proprietary system for portfolio monitoring and reporting on domestic and international securities litigation, and currently provides these services to more than 160 institutional investors, which manage collective assets of more than \$2 trillion. The Firm's in-house licensed investigators also gather crucial details to support our cases, whereas other firms rely on outside vendors, or conduct no confidential investigation at all.

As a result of our thorough case evaluation process, our securities litigators can focus solely on cases with strong merits. The benefits of our selective approach are reflected in the low dismissal rate of the securities cases we pursue, which is well below the industry average. In the last five years alone, we have successfully prosecuted headline-making class actions against *ALG*, *Countrywide*, *Fannie Mae*, and *Bear Stearns*, among others.

Notable Successes

Labaton Sucharow has achieved notable successes in major securities litigations on behalf of investors, including the following:

- ***In re American International Group, Inc. Securities Litigation, No. 04-cv-8141, (S.D.N.Y.)***

In one of the most complex and challenging securities cases in history, Labaton Sucharow secured more than \$1 billion in recoveries on behalf of lead plaintiff Ohio Public Employees' Retirement System in a case arising from allegations of bid rigging and accounting fraud. To achieve this remarkable recovery, the Firm took over 100 depositions and briefed 22 motions to dismiss. The settlement entailed a \$725 million settlement with American International Group (AIG), \$97.5 million settlement with AIG's auditors, \$115 million settlement with former AIG officers and related defendants, and an additional \$72 million settlement with General Reinsurance Corporation, which was approved by the Second Circuit on September 11, 2013.

- ***In re Countrywide Financial Corp. Securities Litigation, No. 07-cv-05295 (C.D. Cal.)***

Labaton Sucharow, as lead counsel for the New York State Common Retirement Fund and the five New York City public pension funds, sued one of the nation's largest issuers of mortgage loans for credit risk misrepresentations. The Firm's focused investigation and discovery efforts uncovered incriminating evidence that led to a \$624 million settlement for investors. On February 25, 2011, the court granted final approval to the settlement, which is one of the top 20 securities class action settlements in the history of the PSLRA.

- ***In re HealthSouth Corp. Securities Litigation, No. 03-cv-01500 (N.D. Ala.)***

Labaton Sucharow served as co-lead counsel to New Mexico State Investment Council in a case stemming from one of the largest frauds ever perpetrated in the healthcare industry. Recovering \$671 million for the class, the settlement is one of the top 15 securities class action settlements of all time. In early 2006, lead plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. On June 12, 2009, the court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP. In addition, on July 26, 2010, the court granted final approval to a \$117 million partial settlement with the remaining principal defendants in the case, UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello, and William McGahan.

- ***In re Schering-Plough/ENHANCE Securities Litigation, No. 08-cv-00397 (D. N.J.)***

As co-lead counsel, Labaton Sucharow obtained a \$473 million settlement on behalf of co-lead plaintiff Massachusetts Pension Reserves Investment Management Board. After five years of litigation, and three weeks before trial, the settlement was approved on October 1, 2013. This recovery is the largest securities fraud class action settlement against a pharmaceutical company. The Special Masters' Report noted, "**the outstanding result achieved for the class is the direct product of outstanding skill and perseverance by Co-Lead Counsel...no one else...could have produced the result here—no government agency or corporate litigant to lead the charge and the Settlement Fund is the product solely of the efforts of Plaintiffs' Counsel.**"

- ***In re Waste Management, Inc. Securities Litigation, No. H-99-2183 (S.D. Tex.)***

In 2002, the court approved an extraordinary settlement that provided for recovery of \$457 million in cash, plus an array of far-reaching corporate governance measures. Labaton Sucharow represented lead plaintiff Connecticut Retirement Plans and Trust Funds. At that time, this settlement was the largest common fund settlement of a securities action achieved in any court within the Fifth Circuit and the third largest achieved in any federal court in the nation. Judge Harmon noted, among other things, that Labaton Sucharow "**obtained an outstanding result by virtue of the quality of the work and vigorous representation of the class.**"

- ***In re General Motors Corp. Securities Litigation, No. 06-cv-1749, (E.D. Mich.)***

As co-lead counsel in a case against automotive giant, General Motors (GM), and Deloitte & Touche LLP (Deloitte), its auditor, Labaton Sucharow obtained a settlement of \$303 million—one of the largest settlements ever secured in the early stages of a securities fraud case. Lead plaintiff Deka Investment GmbH alleged that GM, its officers, and its outside auditor overstated GM's income by billions of dollars, and GM's operating cash flows by tens of billions of dollars, through a series of accounting manipulations. The final settlement, approved on July 21, 2008, consisted of a cash payment of \$277 million by GM and \$26 million in cash from Deloitte.

- ***Wyatt v. El Paso Corp., No. H-02-2717 (S.D. Tex.)***

Labaton Sucharow secured a \$285 million class action settlement against the El Paso Corporation on behalf of co-lead plaintiff, an individual. The case involved a securities fraud stemming from the company's inflated earnings statements, which cost shareholders hundreds of millions of dollars during a four-year span. On March 6, 2007, the court approved the

settlement and also commended the efficiency with which the case had been prosecuted, particularly in light of the complexity of the allegations and the legal issues.

- ***In re Massey Energy Co. Securities Litigation, No. 10-CV-00689 (S.D. W.Va.)***

As co-lead counsel representing the Commonwealth of Massachusetts Pension Reserves Investment Trust, Labaton Sucharow achieved a \$265 million all-cash settlement in a case arising from one of the most notorious mining disasters in U.S. history. On June 4, 2014, the settlement was reached with Alpha Natural Resources, Massey's parent company. Investors alleged that Massey falsely told investors it had embarked on safety improvement initiatives and presented a new corporate image following a deadly fire at one of its coal mines in 2006. After another devastating explosion which killed 29 miners in 2010, Massey's market capitalization dropped by more than \$3 billion. Judge Irene C. Berger noted that "**Class counsel has done an expert job of representing all of the class members to reach an excellent resolution and maximize recovery for the class.**"

- ***Eastwood Enterprises, LLC v. Farha (WellCare Securities Litigation), No. 07-cv-1940 (M.D. Fla.)***

On behalf of The New Mexico State Investment Council and the Public Employees Retirement Association of New Mexico, Labaton Sucharow served as co-lead counsel and negotiated a \$200 million settlement over allegations that WellCare Health Plans, Inc., a Florida-based managed healthcare service provider, disguised its profitability by overcharging state Medicaid programs. Under the terms of the settlement approved by the court on May 4, 2011, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare was acquired or otherwise experienced a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

- ***In re Bristol-Myers Squibb Securities Litigation, No. 00-cv-1990 (D.N.J.)***

Labaton Sucharow served as lead counsel representing the lead plaintiff, union-owned LongView Collective Investment Fund of the Amalgamated Bank, against drug company Bristol-Myers Squibb (BMS). Lead plaintiff claimed that the company's press release touting its new blood pressure medication, Vanlev, left out critical information, other results from the clinical trials indicated that Vanlev appeared to have life-threatening side effects. The FDA expressed serious concerns about these side effects, and BMS released a statement that it was withdrawing the drug's FDA application, resulting in the company's stock price falling and losing nearly 30 percent of its value in a single day. After a five year battle, we won relief on two critical fronts. First, we secured a \$185 million recovery for shareholders, and second, we negotiated major reforms to the company's drug development process that will have a significant impact on consumers and medical professionals across the globe. Due to our advocacy, BMS must now disclose the results of clinical studies on all of its drugs marketed in any country.

- ***In re Fannie Mae 2008 Securities Litigation, No. 08-cv-7831 (S.D.N.Y.)***

As co-lead counsel representing co-lead plaintiff Boston Retirement System, Labaton Sucharow secured a \$170 million settlement on March 3, 2015 with Fannie Mae. Lead plaintiffs alleged that Fannie Mae and certain of its current and former senior officers violated federal securities laws, by making false and misleading statements concerning the company's internal controls and risk management with respect to Alt-A and subprime mortgages. Lead plaintiffs also alleged that defendants made misstatements with respect to Fannie Mae's core capital, deferred tax assets, other-than-temporary losses, and loss reserves. This settlement is a

significant feat, particularly following the unfavorable result in a similar case for investors of Fannie Mae's sibling company, Freddie Mac.

Labaton Sucharow successfully argued that investors' losses were caused by Fannie Mae's misrepresentations and poor risk management, rather than by the financial crisis.

- ***In re Broadcom Corp. Class Action Litigation, No. 06-cv-05036 (C.D. Cal.)***

Labaton Sucharow served as lead counsel on behalf of lead plaintiff New Mexico State Investment Council in a case stemming from Broadcom Corp.'s \$2.2 billion restatement of its historic financial statements for 1998 - 2005. In August 2010, the court granted final approval of a \$160.5 million settlement with Broadcom and two individual defendants to resolve this matter, the second largest up-front cash settlement ever recovered from a company accused of options backdating. Following a Ninth Circuit ruling confirming that outside auditors are subject to the same pleading standards as all other defendants, the district court denied Broadcom's auditor Ernst & Young's motion to dismiss on the ground of loss causation. This ruling is a major victory for the class and a landmark decision by the court—the first of its kind in a case arising from stock-options backdating. In October 2012, the court approved a \$13 million settlement with Ernst & Young.

- ***In re Satyam Computer Services Ltd. Securities Litigation, No. 09-md-2027 (S.D.N.Y.)***

Satyam, referred to as "India's Enron," engaged in one of the most egregious frauds on record. In a case that rivals the Enron and Bernie Madoff scandals, the Firm represented lead plaintiff UK-based Mineworkers' Pension Scheme, which alleged that Satyam Computer Services Ltd., related entities, its auditors, and certain directors and officers made materially false and misleading statements to the investing public about the company's earnings and assets, artificially inflating the price of Satyam securities. On September 13, 2011, the court granted final approval to a settlement with Satyam of \$125 million and a settlement with the company's auditor, PricewaterhouseCoopers, in the amount of \$25.5 million. Judge Barbara S. Jones commended lead counsel during the final approval hearing noting that the "**...quality of representation which I found to be very high...**"

- ***In re Mercury Interactive Corp. Securities Litigation, No. 05-cv-3395 (N.D. Cal.)***

Labaton Sucharow served as co-lead counsel on behalf of co-lead plaintiff Steamship Trade Association/International Longshoremen's Association Pension Fund, which alleged Mercury backdated option grants used to compensate employees and officers of the company. Mercury's former CEO, CFO, and General Counsel actively participated in and benefited from the options backdating scheme, which came at the expense of the company's shareholders and the investing public. On September 25, 2008, the court granted final approval of the \$117.5 million settlement.

- ***In re Oppenheimer Champion Fund Securities Fraud Class Actions, No. 09-cv-525 (D. Colo.) and In re Core Bond Fund, No. 09-cv-1186 (D. Colo.)***

Labaton Sucharow served as lead counsel and represented individuals and the proposed class in two related securities class actions brought against OppenheimerFunds, Inc., among others, and certain officers and trustees of two funds—Oppenheimer Core Bond Fund and Oppenheimer Champion Income Fund. The lawsuits alleged that the investment policies followed by the funds resulted in investor losses when the funds suffered drops in net asset value although the funds were presented as safe and conservative investments to consumers. In May 2011, the Firm achieved settlements amounting to \$100 million: \$52.5 million in *In re*

Oppenheimer Champion Fund Securities Fraud Class Actions, and a \$47.5 million settlement in *In re Core Bond Fund*.

- ***In re Computer Sciences Corporation Securities Litigation, No. 11-cv-610 (E.D. Va.)***

As lead counsel representing Ontario Teachers' Pension Plan Board, Labaton Sucharow secured a \$97.5 million settlement in this "rocket docket" case involving accounting fraud. The settlement was the third largest all cash recovery in a securities class action in the Fourth Circuit and the second largest all cash recovery in such a case in the Eastern District of Virginia. The plaintiffs alleged that IT consulting and outsourcing company Computer Sciences Corporation (CSC) fraudulently inflated its stock price by misrepresenting and omitting the truth about the state of its most visible contract and the state of its internal controls. In particular, the plaintiffs alleged that CSC assured the market that it was performing on a \$5.4 billion contract with the UK National Health Services when CSC internally knew that it could not deliver on the contract, departed from the terms of the contract, and as a result, was not properly accounting for the contract. Judge T.S. Ellis, III stated, "**I have no doubt—that the work product I saw was always of the highest quality for both sides.**"

Lead Counsel Appointments in Ongoing Litigation

Dozens of public pension funds and union funds have selected Labaton Sucharow to represent them in federal securities class actions and advise them as securities litigation/investigation counsel. Our recent notable lead and co-lead counsel appointments include the following:

Labaton Sucharow represents the IBEW Local No. 58 / SMC NECA Funds in this securities class action alleging misrepresentation of certain Canadian construction contracts.

Innovative Legal Strategy

Bringing successful litigation against corporate behemoths during a time of financial turmoil presents many challenges, but Labaton Sucharow has kept pace with the evolving financial markets and with corporate wrongdoer's novel approaches to committing fraud.

Our Firm's innovative litigation strategies on behalf of clients include the following:

- ***Mortgage-Related Litigation***

In *In re Countrywide Financial Corporation Securities Litigation, No. 07-cv-5295 (C.D. Cal.)*, our client's claims involved complex and data-intensive arguments relating to the mortgage securitization process and the market for residential mortgage-backed securities (RMBS) in the United States. To prove that defendants made false and misleading statements concerning Countrywide's business as an issuer of residential mortgages, Labaton Sucharow utilized both in-house and external expert analysis. This included state-of-the-art statistical analysis of loan level data associated with the creditworthiness of individual mortgage loans. The Firm recovered \$624 million on behalf of investors.

Building on its experience in this area, the Firm has pursued claims on behalf of individual purchasers of RMBS against a variety of investment banks for misrepresentations in the offering documents associated with individual RMBS deals.

- ***Options Backdating***

In 2005, Labaton Sucharow took a pioneering role in identifying options-backdating practices as both damaging to investors and susceptible to securities fraud claims, bringing a case, *In re Mercury Interactive Securities Litigation, No. 05-cv-3395 (N.D. Cal.)*, that spawned many other plaintiff recoveries.

Leveraging its experience, the Firm went on to secure other significant options backdating settlements, in, for example, *In re Broadcom Corp. Class Action Litigation, No. 06-cv-5036 (C.D. Cal.)*, and in *In re Take-Two Interactive Securities Litigation, No. 06-cv-0803 (S.D.N.Y.)*. Moreover, in *Take-Two*, Labaton Sucharow was able to prompt the SEC to reverse its initial position and agree to distribute a disgorgement fund to investors, including class members. The SEC had originally planned for the fund to be distributed to the U.S. Treasury. As a result, investors received a very significant percentage of their recoverable damages.

- ***Foreign Exchange Transactions Litigation***

The Firm has pursued or is pursuing claims for state pension funds against BNY Mellon and State Street Bank, the two largest custodian banks in the world. For more than a decade, these banks failed to disclose that they were overcharging their custodial clients for foreign exchange transactions. Given the number of individual transactions this practice affected, the damages caused to our clients and the class were significant. Our claims, involving complex statistical analysis, as well as *qui tam* jurisprudence, were filed ahead of major actions by federal and state authorities related to similar allegations commenced in 2011. Our team

favorably resolved the BNY Mellon matter in 2012. The case against State Street Bank is still ongoing.

Appellate Advocacy and Trial Experience

When it is in the best interest of our clients, Labaton Sucharow repeatedly has demonstrated our willingness and ability to litigate these complex cases all the way to trial, a skill unmatched by many firms in the plaintiffs bar.

Labaton Sucharow is one of the few firms in the plaintiffs securities bar to have prevailed in a case before the U.S. Supreme Court. In *Amgen v. Connecticut Retirement Plans & Trust Funds*, 133 S. Ct. 1184 (Feb. 27, 2013), the Firm persuaded the court to reject efforts to thwart the certification of a class of investors seeking monetary damages in a securities class action. This represents a significant victory for all plaintiffs in securities class actions.

In *In re Real Estate Associates Limited Partnership Litigation*, Labaton Sucharow's advocacy significantly increased the settlement value for shareholders. The defendants were unwilling to settle for an amount the Firm and its clients viewed as fair, which led to a six-week trial. The Firm and co-counsel ultimately obtained a landmark \$184 million jury verdict. The jury supported the plaintiffs' position that the defendants knowingly violated the federal securities laws, and that the general partner had breached his fiduciary duties to shareholders. The \$184 million award was one of the largest jury verdicts returned in any PSLRA action and one in which the class, consisting of 18,000 investors, recovered 100 percent of their damages.

Commitment to Diversity

Recognizing that business does not always offer equal opportunities for advancement and collaboration to women, Labaton Sucharow launched its Women's Networking and Mentoring Initiative in 2007.

The Women's Initiative, led by partner and Executive Committee member Martis Alex, reflects our commitment to the advancement of women professionals. The goal of the Initiative is to bring professional women together to collectively advance women's influence in business. Each event showcases a successful woman role model as a guest speaker. We actively discuss our respective business initiatives and hear the guest speaker's strategies for success. Labaton Sucharow mentors young women inside and outside of the firm and promotes their professional achievements. The Firm also is a member of the National Association of Women Lawyers (NAWL). For more information regarding Labaton Sucharow's Women's Initiative, please visit www.labaton.com/en/about/women/Womens-Initiative.cfm.

Further demonstrating our commitment to diversity in the legal profession and within our Firm, in 2006, we established the Labaton Sucharow Minority Scholarship and Internship. The annual award—a grant and a summer associate position—is presented to a first-year minority student who is enrolled at a metropolitan New York law school and who has demonstrated academic excellence, community commitment, and personal integrity.

Labaton Sucharow has also instituted a diversity internship which brings two Hunter College students to work at the Firm each summer. These interns rotate through various departments, shadowing Firm partners and getting a feel for the inner workings of the Firm.
