ORDER OF COURT

Entered: April 2, 2021

The district court judge has requested that this court "invite it to retain counsel to appear on behalf of the court as fiduciary for the class" in this appeal. This court has the benefit of the district court's opinions, including its decision denying Lief Cabraser Heimann & Bernstein's motion to stay the decision that is presently on appeal. The district court's request is denied without prejudice to reconsideration by the panel that decides the merits.
