ORDER OF COURT

Entered: July 7, 2020

This is an appeal from the February 27, 2020 Memorandum and Order of the district court concerning the conduct of certain law firms and modifying the previously-approved award of attorney fees. Upon review, it appears that this court may not have jurisdiction to consider the appeal because the order in question may not be final. 28 U.S.C. § 1291. Accordingly, the parties to the appeal are ordered to show cause within thirty days of the date of this order why this appeal should not be dismissed for lack of jurisdiction. The briefing schedule is stayed pending this court's receipt of responses.
